Air Freight

Rapid and Reliable Global Transport

Experience unmatched speed and efficiency with our Air Freight services, designed to meet your most urgent shipping needs. Whether it's perishable goods, high-value items, or last-minute shipments, our air freight solutions ensure your cargo arrives safely, on time, every time. Our comprehensive service includes direct and consolidated air shipments, door-to-door delivery across the globe, and specialized handling to cater to all your air transport requirements. Leveraging our extensive network of airlines and airports, we optimize routes for the quickest transit times at competitive rates.

Sea Freight

Cost-Effective Ocean Cargo Solutions

Embrace the economic benefits of Sea Freight for your large-volume shipments with Ferry Global Logistics. Our Sea Freight services are tailored to optimize cost, efficiency, and reliability, transporting your goods across the world's oceans seamlessly. We offer a full suite of options including Full Container Load (FCL), Less than Container Load (LCL), and customized solutions for oversized or bulk cargo. Our strong relationships with major carriers ensure your cargo sails smoothly, with optimal routing, timely shipping schedules, and comprehensive door-to-door service. Trust us to navigate the complexities of global sea transport, delivering your goods with precision and care.

Land Freight

Flexible and Comprehensive Land Transport Across the UAE and GCC

Our Road Freight services stand out for their flexibility and reliability, catering to your logistics needs both within the United Arab Emirates and across the Gulf Cooperation Council (GCC) region. From local door-to-door deliveries to extensive cross-border shipments, our tailored road transport solutions encompass Full Truckload (FTL), Less than Truckload (LTL), and specialized transport for items that are oversized, delicate, or hazardous. Our modern and versatile fleet is prepared to handle a diverse range of cargo types, ensuring safe and punctual delivery to your exact destination.

Truck Transportation

At Ferry Global Logistics and General Transport, we understand the crucial role that reliable truck transportation plays in the success of your business operations. Our fleet of trucks is versatile and well-equipped to handle a wide range of cargo and transport requirements. Whether you need to move heavy machinery, construction materials, or general goods, we have the right trucking solution for you.

Our Trucking Services include:

Flatbed & Lowbed Trucks

Recovery Trucks

Pickup Trucks

Hiab Trucks

Dumper & Tripper Trucks

Refrigerated Trucks

Heavy Machinery

At Ferry Global Logistics and General Transport, we pride ourselves on being industry leaders in the transportation of heavy machinery and equipment. Our comprehensive solutions are tailored to meet the unique needs of industries such as construction, mining, and manufacturing, where the safe and efficient delivery of valuable assets is paramount.

Our extensive fleet comprises state-of-the-art vehicles and equipment, meticulously maintained to ensure reliability and safety during transit. From flatbed trucks to specialized trailers, we have the capability to transport a wide range of heavy machinery, regardless of size or complexity.

Our Heavy Machinery Transportation Services include

Crane Services

Backhoe Loader (JCB)

Telehandler (Boom Loader)

Skid Steer Loader (Bobcat)

Forklift Services

Dozer Services

Grader

Excavator

Shovel

Roller

Spider Lift

Man Lift

Customs Clearance

Effortless and Efficient Border Crossings

Navigate the complexities of international trade with ease, thanks to Ferry Global Logistics' expert Customs Clearance services. Our team of seasoned professionals is dedicated to simplifying the customs process for your shipments, ensuring a smooth and swift passage across borders. We understand the importance of compliance and precision in global trade, which is why we offer a comprehensive suite of services designed to manage every aspect of customs clearance for you.

Warehousing

Flexible and Comprehensive Land Transport Across the UAE and GCC

At Ferry Global Logistics, our comprehensive warehousing and distribution services are tailored to accommodate a wide range of storage needs, ensuring your goods are stored safely and managed efficiently. Our facilities are equipped to handle various types of cargo, offering flexible solutions for short-term and long-term storage.

Our Open Shed warehouses provide a versatile storage solution for a variety of goods. Ideal for items that require protection from the elements but do not need temperature control, such as construction materials, machinery, and oversized equipment. These covered spaces ensure your goods are kept dry and secure, with easy access for loading and unloading.
